

Competitive Rates *AND* Outstanding Service?
Yes We Can!

Transportation Purchase POWER

It's no secret: transportation buyers who move high volumes of freight have more buying power in the marketplace. Hanson Logistics is no exception.

Hanson Transportation Management is one of the fastest growing in the industry. We move millions of pounds of freight across the country for many of the most respected brands. As an LTL shipper, you can leverage Hanson's extensive transportation carrier network, technology and expertise to assure efficiency and service are delivered on time, at very competitive rates.

Hanson has built its supply chain reputation on excellent service. You'll experience the Hanson "Yes We Can!" attitude with every interaction. We are proactive in customer service as well as transportation service. Put us to the test and find out for yourself.

SIMPLIFY

One call does it all. From our TMS portal to your point of contact, Hanson removes the complexity from your transportation and makes it simple. We solve customer problems, deal with carrier performance, make things happen. It's that simple.

SAVINGS

Our negotiated rates are far less than most smaller shippers can hope to achieve and those savings go right to your bottom line. You'll save in many ways: lower rates, better audits and lower overhead.

TRANSPARENCY

Leverage our market-leading TMS technology and gain complete transparency into rates, capacity, carriers and documentation.

EFFICIENCY

Entrust Hanson for your entire transportation spend, allowing you to devote your resources to your operational tasks.

COMPREHENSIVE

Inbound, outbound, multi-temperature, parcel; standard, expedited, guaranteed, white glove and flatbed: Hanson has the expertise, carriers and competitive rates in all transportation requirements.

SINGLE SOURCE

From rating to scheduling, track and trace, exceptions, audit and freight bill payment: the Hanson team is your dedicated resource to handle the entire process.
